Dear Mr. Lehman,

Sir, please, I am begging you 🙏🙏🙏

Could you please within 48 hours contact Mr. Rogalski to ask him:

1. Who is the lead agent in charge of the racketeering enterprise investigation?
2. What is the FBI case number?
3. What's the name and contact information of the FBI Victim Specialist?

Please Mr. Lehman.

And after you contact Mr. Rogalski, could you please let me know, within 72 hours what he said?

Please Mr. Lehman, I am begging you 🙏🙏🙏

I've been fighting this case for a long time. France is covering up. I first tried to contact the FBI back in 2015.

Mr. Lehman, the U.S. Justice Department has to answer us, don't they?

I am CCing this email to Mr. Rogalski.

Mr. Lehman, if Mr. Rogalski refuses to answer us, is there anyone else you could contact? Could you write to the U.S. Ambassador Mr. Burns to ask to explain why the field office, of the FBI, located inside the U.S. Embassy, refuses to communicate with a victim of organized crime?

Thank you 🙏🙏🙏

Best regards,

Vincent Le Corre
